SUMMER CAMP 2017

Africa: Wild and Free!

We are transforming Redwood Montessori School's Summer Camp into an African wildlife explorer camp! We will learn about the amazing wildlife that roam free on the African continent and the diverse habitats they live in – from rain forests to deserts to savannas. We'll have special guests (human and animal), play games, make art, and much more!

Our Montessori-based summer program takes a holistic approach to balancing and integrating learning with the freedom, warmth and fun that summertime brings. Join us for this exciting adventure!

What to Expect: Four Weeks of Fun!

Bonnie Cromwell's Classroom Safari: The infamous 'animal lady', Bonnie brings real life animals into the classroom! We hope to see a baby alligator, sloth, hedgehog and more!

Bike Day: Bring your bike or scooter for a fun filled day zooming around our parking lot! Don't forget your helmet!

Face Painting Day: Children will be transformed into zebras, cheetahs, giraffes and more!

Parents Night Out + Nighttime Safari: On this special evening from 5:30pm-8:30pm, your child may join us at school for pizza, games, and safari adventures, while you get a night off!

Water Day: Grab your bathing suit, put on your sunscreen, and get ready for the playground to become our very own African watering hole!

Email us at info@redwoodmontessori.com to enroll!

About Us

Redwood Montessori School offers engaging and high-quality preschool and Kindergarten Montessori programs for children ages 2 through 6 years old, and an open and inviting community for their families. Our wonderful team of teachers are turning into Safari Guides for our summer camp!

Safari Guides

Safari Guide Becca is ready for a summer filled with wild adventures! She is excited to explore the world of African safari animals with our campers! Becca is looking forward to our special events, including a visit by Bonnie Cromwell, who is bringing real safari animals into our classroom.

Safari Guide Cassie has been teaching for six years, and is poised to become a full-time Safari Guide! She loves coming to school everyday and seeing all of the children's happy faces. She is excited in particular for Bike Day and for Bonnie Cromwell's Classroom Safari!

Safari Guide Megan cannot be more excited to be directing our group of toddler campers, and ensuring their healthy and fun transition into summer camp. Megan herself is a HUGE animal lover and is enthusiastically planning a plethora of safari animal crafts — "Lions, zebras and giraffes ... Oh My!"

Safari Managers

Jesse Parish is Redwood Montessori School's Academic Director. She has ten years of experience as a Montessori educator. Jesse is excited to support our Safari Guides as they take our campers on adventures through the African wilderness. Her favorite animal is the elephant, and she wishes she could hang out with one. Instead, she gets to hang out with Butters the Bulldog!

Laura Porter has over seven years of experience as a Montessori educator. Laura can't wait for the adventures to start in camp! She enjoys creating Montessori activities with a safari twist and open ended art projects that leave lasting impressions with the children. Hold on tight, it's going to be a fun and wild ride learning about all these wild animals!
