SUMMER CAMP 2018

Garden to Table

Bring out the gardening tools and cooking utensils! We are spending our summer gardening, cooking, eating and playing!

Through a series of fun activities and projects, campers will explore where food comes from, and how to grow, cultivate and prepare our own meals. Our beautiful and cozy school is the perfect setting for children to gain a hands-on and intuitive understanding of this food cycle. Don't be surprised if our campers come home with a deep passion for composting and eating vegetables! ☺

Our Montessori-based summer program takes a holistic approach to balancing and integrating learning with the freedom, warmth and fun that summertime brings. Join us for this exciting adventure!

A Summer Harvest Lunch*

Our campers and teachers invite you – our beloved families – for a very special Summer Harvest Lunch. We will share a meal prepared by our campers using the ingredients we cultivate from our own garden!

Special Days*

- **Parent's Night Out:** You get an evening out, and your child joins us for pizza and games!
- **Water Day:** A whole day of sunshine and water activities!
- **Bike Day:** A fun filled day zooming around our parking lot! Don't forget to bring a bike or scooter and a helmet!

**Details coming soon*

Email us at info@redwoodmontessori.com to enroll!

PROGRAM DETAILS

Programs Offered: June 25 - July 20, 2018

Toddlers-in-Transition Camp – Ages 2 to 3.5

* Half-day and three-days attendance options only available to children in Toddlers-in-Transition program.

About Us

Redwood Montessori School offers engaging and high-quality preschool and Kindergarten Montessori programs for children ages 2 through 6 years old, and an open and inviting community for their families. Our wonderful team of teachers will guide our campers on gardening and culinary adventures right at our school!

 Becca is incredibly excited to spend an entire summer exploring something we all love: food! She is eager to begin this culinary journey and hopes to guide our children as they find a passion and love for healthy, home-cooked food.

 Cassie has been teaching for seven years. She loves coming to school everyday and seeing all the children's happy faces! She can't wait for all the delicious things that are going to be grown and prepared this summer, especially anything with green beans.

 Megan cannot be more excited to spend time with our toddler campers, and ensuring their healthy and fun transition into summer camp. She is looking forward to sharing all the delicious and nutritious food that the children will have grown and prepared with our families!

Camp Managers

Jesse Parish is Redwood Montessori School's Director. She has over a decade of experience as a Montessori educator. Jesse will support all aspects of our camp, and is incredibly excited for our summer focus on how fun and rewarding it is to make and cook your own healthy food.

Laura Porter has over seven years of experience as a Montessori educator. Laura can't wait for the adventures to start in camp! She enjoys creating Montessori activities with a culinary twist and open ended art projects that leave lasting impressions with the children.
